

MOTION BY SUPERVISOR GLORIA MOLINA

November 23, 2010

On December 7, 1941, The United States suffered a vicious and unprovoked attack at Pear Harbor, producing an immediate call for action from the American people. That treacherous attack where 2,400 perished and another 14,100 were wounded was not just an attack on America's military forces—it also included innocent civilians.

The surprise attack on Pearl Harbor and the despicable attack of September 11, 2001 must serve as a constant reminder that America must be perpetually strong and vigilant in defense of its freedom.

We commemorate this day to recognize and honor the courage and countless sacrifices of World War II Veterans who fought around the globe liberating oppressed nations and ensuring for us the priceless gifts of liberty, peace and the American way of life.

I, THEREFORE, MOVE that the Board of Supervisors of the County of Los Angeles hereby proclaims December 7, 2010, as Pearl Harbor Day throughout the County and urges all citizens to participate ceremonies honoring the Americans who served at Pearl Harbor and all Americans who served in World War II; and that all flags throughout Los Angeles County shall be flown at half-staff in honor of those Americans who died as a result of the attack on that fateful day.
